It was indicated that, a financed within alletted accounts to prepare a special analysis of to determine the precise smount e This could be done by merely revifrom them those items not properl operation. 3. It was requested that be report monthly, giving the smount and forwarding such report the Chief of the Budget Division. during the early part of the year these reports until after all of able to the offices. It was statcharged against the Project was resutherized, it might be necessary toward the end of the fiscal year toward the end of the fiscal year land the end of the fiscal that the end of the fiscal year land the end of the fiscal year land the end of the fiscal that the end of the end of the fiscal that the end of the end	Assistant to the DD/I, (Admin.), and the und of controlling the release for Project 2. It was indicated that, although Profinenced within alletted accounts, it would to prepare a special analysis of the affects to determine the precise smount expended und This could be done by merely reviewing the afrom them those items not properly chargeable operation. 3. It was requested that both OCR and report monthly, giving the smounts chargeable and forwarding such reports on an "si the Chief of the Budget Division. It was induring the early part of the year, there was these reports until after all of the account able to the offices. It was stated, however charged against the Project was running clos suthorized, it might be necessary to request toward the end of the fiscal year. BD/CCMP/CMM/har Distribution: 25X1A9A 1 - Mr. 25X1A9A 23 25X1A9A	CCR, Security Officer of and Assistant to the DD/I, (Admin.), and the undersigned, the prof controlling the release for Project was discussed to controlling the release for Project was discussed to controlling the release for Project was discussed to determine the precise amount expended under Project This could be done by merely reviewing the accounts and delefron them those items not properly chargeable to the operation. 3. It was requested that both OCR and ORR prepare a spreport monthly, giving the amounts chargeable against Project and forwarding such reports on an "ETES ONLY" basis the Chief of the Budget Division. It was indicated that, at during the early part of the year, there was no need for subthese reports until after all of the accounting data became able to the offices. It was stated, however, that if the amount suthorized, it might be necessary to request more prompt rep toward the end of the fiscal year. 25X1A9A BD/CCRP/CRM/har 25X1A9A 23 23 20/1/05/ BD/CCRP/CRM/har 25X1A9A	CCR, Executive Officer of and Special Special Assistant to the DD/I, (Admin.), and the undersigned, the problem of controlling the release for Project was discussed. 2. It was indicated that, although Project was being financed within alletted accounts, it would not be too difficult to prepare a special analysis of the affected allotment accounts to determine the precise assumt expended under Project This could be done by merely reviewing the accounts and deleting from them those items not properly chargeable to the correction. 3. It was requested that both OCR and ORR prepare a special report monthly, giving the amounts chargeable against Project and forwarding such reports on an "EXES ONLY" basis to the Chief of the Budget Division. It was indicated that, at least during the early part of the year, there was no need for submitting these reports until after all of the accounting data became available to the offices. It was stated, however, that if the amount charged against the Project was running close to the amount suthorized, it might be necessary to request more prompt reporting toward the end of the fiscal year. 25X1A9A ED/CCMP/CMM/har Distribution: 25X1A9A 1 - Mr. 25X1A9A 25X1A9A
